February 8, 2024

Embassy Suites

1101 E. McCarty Ln., San Marcos

3.0 hours of MCLE & TCOLE credit

What laws were passed during the 88th Regular Session? And what does that mean for how you investigate and prosecute crimes? Find out answers to these questions and many more at our Legislative Update training. Registration for this live course is now open at www.tdcaa.com/training. Everyone who registers will receive a copy of our *Legislative Update* book; the course summarizes the book, which in turn summarizes our larger code books.

The training goes from 1:30 to 5:00 p.m. on Thursday, February 8; it follows the adjournment of our Investigator Conference, which is happening that same week. Investigator Conference attendees are welcome to attend the Legislative Update, but it requires separate registration and payment from the Investigator Conference.

Attendees will receive 3 hours of MCLE or TCOLE credit (Course No. 3188) upon completion. We recommend registering online before the training. Subject to available seating, walk-in registrants will be accepted the day of the course.

Payment options for Legislative Updates:

- \$100** for paid TDCAA members who pre-register online
- \$150** for everyone else

Registration for this course and other information is at tdcaa.com.
